

## MY HOBBY

I have many interests and hobbies but, my favorite hobby is to read books. I like to read mystery and non-fiction books. But actually I like to read mystery books more. I like to read Sherlock Holmes, Nancy Drew, Secret seven, and Famous Five. There are more books I like to read but these are my favorite mystery book choices.

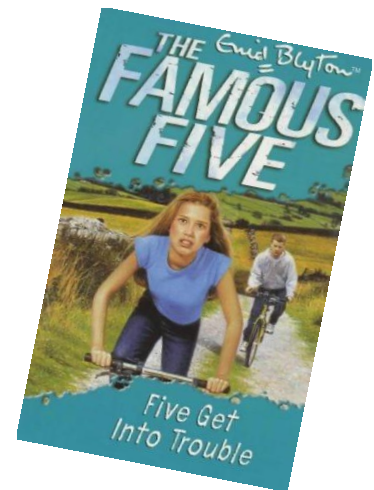

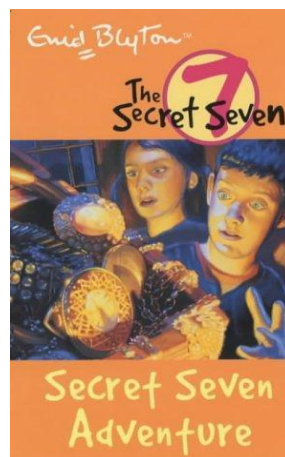

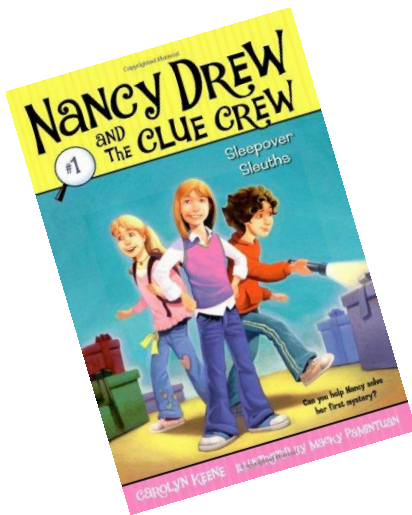

I have read most of the **Sherlock Holmes** cases but I like to read it again and again. I

have read many short stories of it like for example, **The Adventures of Sherlock Holmes**, **The Memoirs of Sherlock Holmes**, and **The Return of Sherlock Holmes**. I have read 1 novel out of 4 novels of Sherlock Holmes and that was “**The Hound of the Baskerville**”.

I have read most of the **Nancy Drew** cases. The cases I liked the most were Sleepover Sleuths, Treasure Trouble, the hidden Staircase, and the Case of the Sneaky Snowman.

I have also read **Secret Seven** and **Famous Five** and they both were written by Enid Blyton. I used to read these books till Grade 5. Out of 21 books of Famous Five, I’ve read only about 15 of its books. I have read Secret Seven cases until Case Number 12 and there are 15 cases.
