

Pathfinder Induction Ceremony

What does the word 'Pathfinder' mean to you? To many, it may mean responsibility, leadership, or activities. On the 16th of September, the Middle School had their Pathfinder Induction ceremony. Mr. David joined us in our ceremony and discussed many important things on Pathfinder and the importance of Pathfinder. The unit captains were given the responsibility of taking charge of their groups and helping them become good leaders as well. During the ceremony the students were taught that Pathfinder would help us as we grow and that it would help us become good leaders and gain knowledge about many activities.
