

Seasons

A dark gloomy sunless start
Cold and calculating
Frost on the windows
Icy streets
Snow on the ground
Hot chocolate to be made
Another Winter's day

Sun coming over the horizon
Birds singing at dawn's first light
Green grass dusted with morning dew
Mowers mowing
Flowers blooming
Warm rain hitting the streets
Another Spring day

Schools out kids at home
Swimming pools swarming
Air-conditioners humming
Backyard barbecues
Hot sleepless nights
Fireflies flying
Another Summer day

Leaves changing colors
Back to school night
Leaf blowers
A new brisk chill to the air
Apple cider to keep warm
Halloween
Another Autumn day
